

How do I know if I already have a MEF Wiki account (and am a member of the MEF Community) (Wiki)

Question	How do I know if I already have a MEF Wiki account (and am a member of the MEF Community)?
Answer	<p>Go to the Forgot password dialog and use your regular email address as your username. If your email address is not recognised, then sign up for a new account.</p> <p>See also How do I sign up for the MEF Wiki (and join the MEF Community)?</p>
