

How do I initiate a MEF Certification Project (MEF Member)

How do I...	Initiate a MEF Certification Project
Answer	<p>Certification of MEF services (for providers or equipment manufacturers is managed by the MEF certification committee)</p> <p>In order to initiate certification for say ENNI-ENNI transit services, mobile backhaul etc. please contact the MEF certification committee co-chairs (see Certification Committee)</p> <p>Obviously, initiating a new certification project typically has both technical and commercial factors that are beyond the scope of a simple FAQ.</p>
