

# How do I register for a Quarterly Meeting? (MEF Member)

<b>Question</b>	How do I register for a quarterly meeting?
<b>Answer</b>	<p>Each quarter, MEF sends out an email with details about our next Quarterly Meeting. This email contains the link for registering for the meeting. After clicking the link, it will bring you to the Quarterly Meeting page on the wiki. Lower on the page, you will see "Register" in big bold letters. Please click on the register button and wait for the next page to load. Once the page is loaded, it should prompt you to enter your first and last name along with your email. Click next and follow the instructions given. Another way to register for the quarterly meeting is by going the wiki and typing in the search bar the city followed by quarterly meeting. (Ex. Lisbon Quarterly Meeting) Please see the link to find out where the next <a href="#">Quarterly Meeting</a> will take place.</p> <p>You can also find the Quarterly Meeting schedule under the Meetings tab at the top of any wiki page.</p>
