

How do I see Calendars? (Wiki)

Question	How do I see Wiki Calendars?
Answer	<p>You can see Wiki Calendars in one of two ways:</p> <ol style="list-style-type: none">1. By clicking on the Calendars tab on the side of each page, you will see your 'master' view of all your Wiki Calendars. If you don't see a Calendar of interest, then click on 'Add Calendar' at the top right of the Calendars page and choose 'Add Existing Calendar'. Then check off from the list of Calendars and click the Add button. They will now appear at the right side of your 'master' view2. Some Wiki Calendars are embedded in a regular Wiki page (e.g. CECX) This is a specific view of the master Calendar page.
