

How do I become a MEF-SME (MEF Member)

How do I...	How do I become a MEF-SME?
Answer	<p>The MEF is interested in engaging individuals interested in participating as a MEF SME. There are a number of projects available for participation by select SMEs. To understand the candidate eligibility and requirements of participation, please contact Kirby Russell who can then direct you to the details of the program.</p> <p>If you believe you would be suitable to contribute as a MEF-SME, please contact Kevin Vachon with some background information on yourself, including your area of expertise.</p>
