

How do I share a page with another user via email (Wiki)

How do I...	How do I share a page with another user via email/
Answer	<p>You can share a Wiki page or blog post by emailing a link to recipients of your choice. The recipients can be Wiki users or any email addresses.</p> <p>To share a link to a Wiki page or blog post by email:</p> <ol style="list-style-type: none">1. Go to the page or blog post you wish to share.2. Choose Share.3. Enter a username, group or email address - autocomplete will suggest matching users and groups.4. Select the appropriate user, group or email address from the dropdown. You can add multiple recipients to the list.5. Enter an optional message into the Note box.6. Choose Share to send the link via email. <p><i>Screenshot: Sharing a page</i></p>  <p>In addition to an email, Wiki users will also receive a notification in their Wiki workbox.</p> <p>More information is available on the Atlassian web site's Emailing a Page article.</p>
