

How do I customize my User Profile settings (Wiki)

How do I...	How do I customize my User Profile settings?
Answer	<p>Each Confluence user has a user profile. In your own profile, you can access account management features and updated information about yourself. You can also set your personal preferences for the Wiki and view other users' profiles.</p> <p>There are several ways that you can customise the way that Confluence works for you, including:</p> <ul style="list-style-type: none">• Your personal home page• Your personal dashboard• Your personal profile• Your email notifications• Your RSS Feed settings <p>To find your user profile:</p> <p>Choose your profile picture at top right of the screen, then choose Profile. Or, choose the Profile link in the sidebar of your personal space.</p> <p>More information is available on the Atlassian web site's Personal Customisations article.</p>
