

How do I get access to MEF GitHub?

Question	How do I get access to MEF GitHub?
Answer	<p>MEF Public SDK repositories and SDK releases' contents are available for everyone, no GitHub account is required to access the Public SDKs.</p> <p>MEF Members are able to additionally access:</p> <ul style="list-style-type: none">• Extended SDK GitHub Repositories (private) with work-in-progress content <ol style="list-style-type: none">1. Create a GitHub account here if you do not already have one,2. Add your GitHub account name to your MEF Wiki Profile here.<ol style="list-style-type: none">a. This information is checked regularly and you will receive an invitation.b. You will be invited to MEF Members GitHub Accounts Team, which gives access to all LSO SDKs.3. Write an email to community_manager@mef.net and specify which Community you would like to join (Sonata, Legato, Cantata, Presto...). A Community is a dedicated place to ask questions, share thoughts and provide feedback. <p>Non-MEF Members are able to access:</p> <ul style="list-style-type: none">• Public SDKs• GitHub SDK Communities (this does require a GitHub account) <ol style="list-style-type: none">1. Write an email to community_manager@mef.net with your GitHub account name and specify which Community you would like to join (Sonata, Legato, Cantata, Presto...). A Community is a dedicated place to ask questions, share thoughts and provide feedback.<ol style="list-style-type: none">a. You will receive an invitation to the respective GitHub Team
